## BORN FROM THE PERFECT BALANCE BETWEEN NATURE AND CRAFTSMANSHIP.

*Imagine the finest maple syrup that not only tantalizes your taste buds but also transports you to the picturesque maple forests of Quebec. Each drop of maple sap is carefully harvested and crafted to perfection: an exquisitely delicious maple syrup that encapsulates the rich heritage of Canadian maple products.*

Ô d'OR™ is an exceptional syrup of the highest quality. Its excellence is a source of pride. It is created from freshly harvested sap in its purest form.

Rooted in a lineage of artisans from family-owned farms, Ô d'OR™ maples embody a quest for exceptional quality, resulting in unrivalled style and refined delicacy.

Experience the unique terroir, century-old maple trees and the artisans' savoir-faire.

FINESSE IS AT THE CORE OF WHAT WE DO.

## AWARD-WINNING ARTISANAL MAPLE SYRUP

### OUR BELIEFS AND COMMITMENTS

- Superior-quality sap and fine-tasting maple syrup.
- Knowing each artisan's heritage and land for uncompromised traceability. 100 % traceable forest to bottle.
- Quality control and food safety certification by the Centre ACER, an independent organisation.
- Celebrating Canada's traditions and craftsmanship.
- Teaming up with suppliers to protect people and the planet.

**THE ESSENCE  
OF OUR Ô D'OR™ LOGO**

THE O REPRESENTS THE SAP WATER EXTRACTED FROM THE MAPLE TREES AND OR REPRESENTS OUR PRECIOUS MAPLE SYRUP, PROUDLY NAMED QUEBEC'S BLOND GOLD.

PURE FINESSE

info@odormaple.com  
1 418-573-9511

Ô d'OR™ maple syrup is the result of a single coulee. Its unparalleled purity and depth, its sophisticated flavour and uncompromised quality come from Canada's cold climate and above all from the artisan's labor of love. We work closely with local producers to make truly unique and unforgettable maple syrup. Each batch undergoes a meticulous selection process to ensure that every sip delivers our distinctive taste.

- Unblended
- Single forest
- Carbon neutral
- Gluten free
- No additives or preservatives
- Provides several essential nutrients such as manganese, riboflavin, copper, calcium and 24 natural antioxidants.
